

Dear Parents,

On February 22, your 6th grade child will be taking a field trip to the Schiele Museum in Gastonia. The Schiele Museum of Natural History inspires wonder and appreciation for science and the natural world through programs, exhibits, and research. During our visit, your child will participate in a Schiele Ecosystems Exploration, enjoy a "Dynamic Earth" presentation in the Museum's Planetarium and visit special Museum Exhibits.

We are planning a 9:00 am departure and a 2:00 p.m. return arrival. Our lunch break is short and students should plan to pack a bag lunch or purchase one from the school cafeteria. Normal lunch prices will apply.

If you are interested in chaperoning the trip, please be advised that not all chaperones are guaranteed a seat in the planetarium (due to seating limitations) and may need to drive separately. Send in your payment and be sure you are on the approved volunteer list to ensure your spot as a chaperone.

Just a reminder that students who have had two days ISS or one day OSS eight weeks (8 weeks) prior to any field trips may not attend.

The cost per student and/or chaperone is \$30.00. Money is due Friday, February 9th.

_____ My student _____ has permission to attend the Schiele Museum field trip on February 22 and the \$30.00 payment is included (Parent Signature) _____

_____ My student _____ **will not** be attending the Schiele Museum Field trip on February 22. (Parent Signature) _____
